# CHART TRACK NAVREADER

Chart Track NavReader

Multiple Publishers One Platform

NAVREADER

- One single platform to consult publications from various publishers
- Easy, hassle free ordering system
- No more dealing with READ codes
- Secure way of keeping backup licenses
- Single click downloads for updates and new editions
- No more physical shipments of hard copies
- Filtered Searching
- IMO & Flag State Approved
- Both online & offline updating

With Chart Track NavReader the use and maintenance of navigationally critical publications has never been easier. The application combines a full catalogue of various publishers such as IMO, Witherby's, ITU, Browns, etc. into one single application.

It allows its users to quickly access their publications and removes the trouble of having to activate the publications with complicated procedures.

Straight forward, light weight and simple to use.

That's Chart Track NavReader
